**** Class and Hull or Sail number is required by our Membership Software to track boats – it should be unique! You will have needed this for your boat insurance so that may be a good place to look.** Any single hulled dinghy with a Portsmouth Yardstick down to and including 982 (Fireball) and with a **waterline length** of less than 16 feet (4.9 metres) may be sailed at the club.

CLUB DUTY ROTA:

Like most sailing clubs SSC depends on its members carrying out duties during the year and attending working parties. There are currently four duties that members may be asked to perform (depending on ability and interest): The Club uses the Dutyman on-line duty rota system which has a simple facility for arranging swaps – when you join the club you will be emailed a personal user ID and password for the system. You must ensure your Dutyman details (especially email) are kept up-to-date and it is your responsibility to arrange a swap if you cannot do a duty. Duties are a very important part of membership as failure to do a duty can impact on the safety and enjoyment of other members. There are nearly 300 duties to fill during the year so please be generous with your time.

DUTY TYPES:

Saturday Duty Officer (SDO): Experienced Sailor, help rig club boats, greet new members, responsible for safety.

Officer Of the Day (OOD): Organises the Racing on a Sunday, responsible for safety.

Safety Boat (SB): Attended a SSC safety boat familiarization day or hold RYA Power Boat Level 2.

Assistant Officer of the Day (AOD): The SDO/OOD's willing helper! May help with safety boat.

Adult members are asked to carry out at least one duty during the year and Youth members aged 14 to 18 may be asked to carry out an appropriate duty (eg AOD) if they sail regularly or hold appropriate qualifications (eg RYA PB2).

Please circle the Duty Type(s) each eligible member may be allocated and preferred duty days.
