

Sunday 11th April, Spring Day Series

THE first day series of the year at Shropshire Sailing Club was plagued by light winds which discouraged many members.

What breeze there was kept shifting through 90 degrees at Whitemere and challenged the sailors, who needed to complete three races to count.

As the wind fell away, the fourth race was cancelled, meaning sailors couldn't discard their worst result.

Overall victory, went to Colin Smith in his Flying 15, with John James, also in a F15, second, Brian Ashton was third in his Laser and Ben Lawrence was fourth overall and best junior.

On Saturday the club's junior section had its first session of the year, with two hours of fun and games in brilliant sunshine. Chris Adlington lead the procession as 23 juniors had a great time.
