Sunday 20th June, Long Distance A, Early Summer Series

A BEAUTIFUL sunny day and steady breeze produced a peak of 15 boats for Sunday's racing at Shropshire Sailing Club.

While the northerly wind blew steadily at around 12mph, sustained gusts into the high teens made it challenging for helms, but there were no capsizes.

In both pursuit races, junior Ben Lawrence started near the back but sailed through the fleet to claim two first places.

Junior Louise Norris also claimed two second places, once helming a Lark with her father Stuart crewing and then sailing single-handed in a Topper.

Early Summer Series Race 17 (pursuit)
