

Shropshire Sailing Club Race Results

Sunday 4th July, Long Distance A & Early Summer Series

WINDS of 25mph and stronger gusts proved extremely challenging for the handful of sailors who braved the conditions at Shropshire Sailing Club yesterday.

The morning long distance race had to be abandoned after the safety officer became fully occupied with retrieving a Laser over-powered by the wind.

A brave few ventured forth after lunch, with Chris Marsh taking a close race in his Laser, from the Laser radials of Ben Lawrence and Lottie Rapson.

Lottie improved on her third to win the second race from her father, Brian, but Ben Lawrence was forced to drop out after sustaining a head injury from a flying boom.

Officer of the Day Mary Clifford decided discretion was the better part of valour and the final two races were cancelled.
