Sunday 7th March - Long Distance A & Shropshire Shiverer

THE light wind was enough to ruffle the water and keep the boats moving at Whitemere, but its lack of consistency proved troublesome throughout the day as it varied in strength and direction.

Experience counted for a lot and Jim Shipp carried the first two races in his Solo, easing ahead of the Lasers of Angus Bartaby and Ben Lawrence, respectively in the brilliant sunshine at Shropshire Sailing Club.

But the last two races saw youth come to the fore with VI form student Ben Lawrence turning the tables on Jim Shipp and Chris Adlington, the latter on his first outing on the season in his Phantom.
