Sunday 18th April, Long Distance A & Spring Series

LIGHT, shifting wins made it a tough day for competitors, with three different courses set as the breeze kept switching during the day at Shropshire Sailing Club.

Notwithstanding the challenge, Jim Shipp proved master of the conditions with a clean sweep of the day's races, though several people pushed him close at different times.

Also making their debut was Mike Smith and Russell Phillips who had just completed their RYA Stage II course at the club and distinguished themselves by avoiding last place in their two outings.
